

The "We Care" fund helps our neighbors cover their utility expenses in time of need. "We Care" dollars are donated by you, collected by the UC, and administered by Volusia County Human Services.

Last year, our customers generously donated \$1,156.87 to help local families pay their electric and water bills. ***This year the demand is likely to be even greater.***

Please contribute by marking in the donation box at the top of your monthly utility statement and adding this amount to your payment.

You can also send money marked for a "We Care" contribution separately, or drop it off at Customer Service at 200 Canal St. Every dollar contributed to the fund goes to help our neighbors.

If you or someone you know needs assistance, please contact Human Services at (386) 423-3309 or stop by the county office at 107 Canal St., New Smyrna Beach.

Thank you for your support of this important program.

Connecting you with the quality of a New Smyrna Beach life.
